Class Assemblies

Next week marks the return of our class assemblies, starting with Orca class (11th) and followed by Manta Ray class (18th). We have listened to your feedback that you would like more opportunities to come into school and celebrate your child's learning so our class assemblies will showcase recent learning in your child's whilst giving every child the chance to take part and perform to an audience. Parents will be invited in for their child's class assembly, which will also be watched by a selection of other classes.

Here are the dates for the rest of the classes' assemblies this year so you can put them in your diaries:

Wed 3rd February 9am - Turtle Class
Wed 24th February 9am - Seahorse Class
Wed 10th March 9am - Seal Class

Pumpkin Trail

Thank you to everyone who came along to our Pumpkin Trail on Monday afterschool and supported the PFA. Well done to everyone who brought in a pumpkin - we were so impressed by all the creative and original designs...they made for a spectacular spooky trail!

Left to right: Makaiyah (Seahorses), Aiden (Dolphins) and Sofia (Seals) with Matteo (Orcas)

Play Focus

Due to unexpected staffing shortages at lunchtimes, we are having to pause starting Freedom Fridays for a few weeks...however we will still be introducing more equipment onto the playground. Next week we will be having an assembly on Tuesday about all the exciting ways to play with tyres whilst still being safe, before they are rolled out (!) onto the playground from Wednesday onwards. Please do keep donations of unwanted loose parts coming. If you are in the gardening or building trade, we would love donations of woodchip for a 'woodchip' mud kitchen and any wooden sleepers that could be used to build the kitchen structure. Old sink/draining boards would also be really appreciated.
Any donations can be left in the cordoned off area between the two playgrounds. Thank you!
