St Helen's Church

Trips:

We will go on a walk around our local area and learn how to plot key landmarks on a map.

Core Text

Something to think about.....

Why would Hangleton have been a good place to settle and live?

Did you know?

Hangleton Primary opened as a school in 1949.

Before our school was built there was a railway that ran from Old Shoreham Road to The Devil's Dyke.

Hangleton Manor was originally the home of the High Sheriff of Sussex, who built it in the mid-16th century.

Hangleton's land use has changed over time.
