

Amazing Animals

Here are some ideas to continue learning at home with your children

Idea 1 Research all about your favourite animal. What information can you find out? What type of diet does it have? Where does it live? What animal group does it belong to?	Idea 2 Endangered species. What does this mean? What are humans doing to protect endangered species?
Idea 3 Plan a trip to the Booth Museum https://brightonmuseums.org.uk/booth-museum-of-natural-history/what-to-see/ It is free to enter and has a wide range of animals to discover.	Idea 4 Discover all about Dian Fossey https://www.youtube.com/watch?v=Xdp3NbH4ca8 Who is she? Why is she famous? Would you like her job?

You can also watch episodes of Andy's Wild Adventures, meeting new animals with each adventure.
