

DT

Design and make a healthy picnic.
Learn where our food comes from and how to make healthy choices.

My Wonderful World Autumn 1

Science and Topic

In science we will be learning about what makes a living thing and how we can group and classify living things.

In geography we will be using mapping skills to locate and describe where in the world our food comes from.

English

We will be learning all about sentence structure, with a focus on verbs, adjectives, adverbs and basic punctuation, using the Mr Benn Stories. We will be reading Nat Fantastic and writing about zooming somewhere exciting.

We will be reading poems about our emotions using The Emotional Menagerie and writing our own poem.

PHSE

Learning behaviours.

What makes a good learner?

New Beginnings.

Class charter; welcoming and valuing others.

Science of the brain and breathing techniques.

PE

Swimming

Netball

Religious Education

The children will learn and understand the story of Moses.

French

The children will learn to use numbers 0-20, be able to say how old they are and talk about their hobbies, before learning how the French celebrate Christmas.

Computing

We will learn about Online Safety and practising our Word processing and typing skills .

Music

The children will be learning a song about Brighton and surrounding area and musical games looking at beat, pulse and rhythm notation.

Maths

Place value -

The value of each digit in a number.

Adding and subtracting.

Mental arithmetic strategies

Using formal methods.

Mastering Number Program.
