

Writing

Our writing this half term will focus on writing lists, captions and labels with a focus on using our sounds for words and “talk to the hand” when creating sentences.

Phonics

Over the next half term the children will continue to use Little Wandle to build their knowledge of various sounds and the graphemes that are used.

They will also continue to build on their knowledge of the tricky words and ways to remember the tricky parts of these words.

PE

In our PE sessions we will be developing skills in health and well being and running on Mondays and Wednesdays.

Maths

Our maths learning will be all about number. We will count forwards and backwards, find one more and one less, compare numbers and look at how we can represent numbers in different ways.

Watch Out, Dinosaurs About!

Year 1

Autumn 1

RE

As part of our religious studies we will be learning all about that is special to me.

History

We will look into the timeline of the dinosaurs and what happened to them 65 million years ago. We will look at famous historical figures that helped build a picture of the dinosaur world! We will seek answers to questions such as where did they live? What did they look like? How do we know so much about the dinosaurs and also why are they no longer alive?

Art

This half term we will be looking at fossils and developing our skills in sketching fossils as well as using clay to create our own fossils using various tools to support our modelling.

Reading

Our year group text is Katie and the Dinosaur and Stomp Chomp Roar, here come the Dinosaurs which will link to our writing lessons for both stories and poetry.

The children will continue to read in small groups as part of a carousel for guided Reading.
