

Here are some take away tasks that you can complete from home

Idea 1

Learn about a famous explorer.

Find out about explorers from jungles, oceans, space and mountains. Why are they famous? What did they discover?

Idea 2

Design your own essential equipment bag.

What would you need to be an explorer? What would you pack and why?

Idea 3

Explore how Neil Armstrong travelled to the moon.

Using the website

<https://3d.si.edu/object/3d/command-module-apollo-11:d8c63e8a-4ebc-11ea-b77f-2e728ce88125>

can you see how Armstrong and his crew had to survive in space!

Idea 4

Take the explorer quiz!

<https://www.educationquizzes.com/ks1/history/british-explorers/>

how many can you get correct and what did you learn?

Idea 5

Become an explorer of Mount Everest!

Use the website

<https://mount-everest3d.com/3d-map/>

and explore climbing Everest. Look at the images of points along the journey and discuss what life would be like there.
