Times tables: emphasis on rapid recall and corresponding division facts.

It's important for children to know all the multiplication facts up to 12×12 and then transfer this knowledge to division facts. This will allow your child to have an instant recall of the facts and free up their memory for more challenging maths tasks.

Reading: We encourage you to talk about books your child is reading; characters, plot, hints the author is dropping (inference). Perhaps read the book your child is reading too; this will help you talk about it. And if you can... read *to* your child. We still do in school and they love it! We use VIPERS reading strategies and have some suggested questions for use when talking about books at home. We've printed a handout for you.

This year we are hoping to inspire all children to read as many books as possible.

We are launching a *Reading Rocks! Class Journal*.

Each child will have the opportunity to take the journal home and add a page about their favourite book!

Topic Activities are optional!

Your child can pick one or as many activities they wish, to complete at home.

Crime and Punishment

Write a book review for Holes, written by Louis Sachar.	Design a comic strip re-telling the story of The Highwayman.	Research and then create a fact sheet about crime and punishment in Roman times.	Research and then create a fact sheet about crime and punishment in Anglo-Saxon times.
Write a diary extract as if you were Bess from The Highwayman.	Create a newspaper article on Stanley arriving at Camp Green Lake.	Find out all you can about black foxes. Then create a fact sheet or poster or a poem, based on your findings.	Write a letter to the local governor persuading them why they should shut down Camp Green Lake.
Research and then create a fact sheet about crime and punishment in Tudor times.	Draw a picture of what you think Camp Green Lake looks like (in Holes).	Write a setting description for Alcatraz.	Research the animals that may live around Camp Green Lake.
Research the weather in different states of America.	Create a map of Aunt Millie and Uncle Fred's farm.	Research and then create a fact sheet about crime and punishment in Victorian times.	Design a comic strip re-telling the story of The Hound of The Baskervilles.
