

# HOW TO HELP YOUR CHILD'S SPEECH AT HOME?

**We can help your child's to have clearer speech by working on the sounds they find difficult.**

**The ideas below will also help your child's speech. They help your child to understand how sounds make up words. We know this helps with reading too. You can do these anytime during the day.**

**Clapping Syllables in words**

**What's the first sound in the word?  
What's the last sound in the word?**

**Play with rhyming words in songs and stories  
Twinkle Twinkle little star...  
Find words that rhyme.**

**Try it with these words**
