

JUNE IS PRIDE MONTH

Hangleton in 60 seconds

Together
we Respect
we Inspire
we Achieve

Habit Assembly Focus

Our Habits Assembly focus has moved to Kindness this half term. This week, we talked about the importance of good manners, how they have an impact on how a conversation with a peer or adult goes and looked at examples of where we could use good manners during the school day. The teachers were set the challenge to spot good manners in their classes and feedback in next week's assembly.

Pupil Voice

We are learning about the people who help us in our school community and in our local community. I shared the fact that i360 was built from the West Pier. Local people a long time ago took materials from the West Pier to build the i360.

Elvin, Panda Bears

A Reminder...

We are continuing to work with the children on using positive language in school with our mantra:
'No bad words ever, not in our school.'
Please do continue to support us by reinforcing this message at home.

Year Group Spotlight

In Year 2 this week, we have been finishing off our lighthouse watercolour painting, based on the text 'Hello Lighthouse' from our writing lessons. In maths, we have been learning about volume and capacity. In topic, we have been looking at what makes up a healthy diet and studying the weather patterns.

Staff Shoutout

Thank you to Mr Willard for all your hard work in organising all the different sporting events that lots of our children have been competing in recently. It takes a lot of time and effort, not to mention enthusiasm, to make sure our teams get the chance to represent Hangleton in such a variety of competitions.

Congratulations to...

Narla and Poppy D in Panda Bears who both came first in their Dance competitions last weekend.
