Habits Assemblies

This week our Habits Assembly has focused on the importance of not talking over grown ups and one another. We talked about how talking over others can make them feel disrespected and unheard. We can help with this by actively listening, putting hands up in discussions and respecting others' opinions.

We also reflected on and celebrated how well we are all doing with greeting each politely, lining up safely and quickly and moving around the school calmly and respectfully.

Upcoming Events and Dates

October

Tues 6th – Y2 Farm Trip
Wed 7th – Individual photos

Weds 18th – Manta Ray Class Assembly 9am
Tues 24th – Y6 Trip to Bunker

Attendance Reminder

We love seeing our classrooms full of smiling faces every morning! Coming to school every day is so important for keeping up with lessons, but it's also when the best memories are made with friends.

Play Focus

We are launching 'Whole Class OPAL Bingo' today which will run over the final three weeks of this half term, ready for us to start introducing loose parts and new types of play after half term.

Attached with this newsletter is a grid, full of the items we are collecting. If you are sending your child in with donations, please ask them to give them to their class teachers or please take any larger item donations round to the school office. Which class will be the first to tick off all the items on the grid and win Bingo?!

Thank you in advance - this will make a huge difference straightaway to improving play and providing more creative opportunities for the children.

A reminder: we would really like to hear your views on play through the link below:

Year Group Spotlight

KS2 have fully immersed themselves into becoming 'Language Angels' in our newly launched French programme.

Recently they have been brushing up on their basic conversational skills. They have really enjoyed the fun interactive word games and singing along to our new French songs in class. Do ask them to give you a little rendition of our 'Je m'appelle' and 'Ca va' songs but be warned, they are very catchy!

Well done to all of KS2.

You have been 'fantastique'!
