Friday 16th October 2026

Hangleton in 60 Seconds

Belong, Explore, Soar

Attendance Reminder

We love seeing your children's bright faces filling our classrooms every day! When your child is here, they don't just learn reading and maths—they build friendships, grow their confidence, and help make our school community complete.

Our gates open at 8:30am. Arriving a few minutes early gives your child a relaxed start to the day to settle in with their friends.

Pumpkin Trail - Friday 23rd October

Don't forget our Pumpkin trail next Friday. The Hall will be open afterschool for families to visit the trail, with the PFA selling hot chocolate, doughnuts and sweets. Friday will also be a non-uniform day. A reminder with all the details will go out on Monday.

Alongside each class' display of pumpkins, there will also be a staff and parents' table - we'd love to see your creations!

Upcoming Events and Dates

October

Weds 21st - Parents Evening 3:30-6:30pm
Thurs 22nd - EYFS and KS1 Harvest Assembly - 9am
Thurs 22nd - Parents Evening 3:30-6:30pm

Tues 24th - Y6 Trip to Bunker

Play Focus

Thank you so much for the donations we have already received for OPAL....we never thought we'd be so excited to be handed cardboard boxes! We are still looking to collect as many donations as possible, **particularly of items other than cardboard, which the children will be able to use for longer periods of time.** A reminder of the items we are collecting is attached with this newsletter.

You may have spotted we have cordoned off an area between the two playgrounds. If you have any donations, large or small, please pop them in this area so we can sort through them and store them, ready for playing with.

A reminder: we would really like to hear your views on play through the link below:
OPAL Parent Survey Link

Connect Coffee Morning

It was lovely to see some of our parents at our Coffee Morning on Thursday. We had lots of really positive discussions around what future coffee mornings might offer, including: a speaker from Amaze on SEND, EAL English courses, planning a whole school community picnic to celebrate different religions and cultures, SEND workshops for parents and a forum for promoting Anti-Racism.

We also listened to ideas about moving some coffee mornings to the afternoon to make them easier to attend, offering a wider variety of extra-curricular clubs and having Parent Class Rep's. If you would like to nominate yourself to be your child's Class Rep, a valuable communication link between the school and our parents, please let us know!

Parents Evening

Our first Parents' Evenings of the year are this Wednesday and Thursday from 3:30-6:30pm. The booking system for appointments is live on MCAS so if you haven't yet, please do make an appointment to see your child's class teacher. This is an important opportunity to hear how your child has settled into this school year and to see the fantastic work they have been producing in their classrooms. We look forward to welcoming you in.
